

HONEST PROVALVE - MODERN DESIGN

- Ceramic discs for longer life and reduced maintenance.
- Highly configurable with easy to use program interface.
- Long-term memory for program functions.
- 72-hour memory backup.

USA MADE HIGH-CAPACITY SOFTENING RESIN

- 10% crosslinked resin removes hardness and lasts longer.
- Superior Durability - Resists chlorine and oxidation for a longer lifespan.
- Maximum Performance - Delivers high-flow soft water with no pressure loss.

POLISHING GRAVEL

- Enhanced Filtration - Supports resin for optimal water flow and efficiency.
- Superior Stability - Prevents channeling and ensures even water distribution.

HONEST AIO PROVALVE

- Chemical-Free Treatment - Naturally oxidizes and removes iron, sulfur, and manganese without harsh additives.
- Advanced Air Technology - Creates a pressurized air pocket to treat water efficiently at the source
- Superior Performance - Reduces odors, staining, and improves overall taste and clarity.
- Whole-Home Solution - Designed for reliable, high-capacity water treatment in residential and commercial systems.

GRANULAR ACTIVATED CATALYTIC COCONUT SHELL CARBON

- Unmatched Purity - Treating harmful contaminants with superior efficiency.
- Eco-Friendly - Sustainably sourced from renewable materials with the highest environmental standards.
- Long-Lasting - Designed for maximum filtration capacity and extended performance.

KATALOX LIGHT

- Self-Cleaning and Low Maintenance - Advanced backwashing technology keeps the media performing at its best for you.
- Superior Filtration - Traps fine sediment and contaminants while boosting pH for healthier, better-tasting water.

DUAL TANK SYSTEM FOR WELL WATER

Upgrade your home's water with the Dual Tank system designed for well water. Enjoy softer skin, cleaner dishes, and better-tasting water while protecting your appliances and boosting your family's health.
